

2021 Monthly Membership

- Intended for prospective new members who may wish to “road test” CGCC membership by having a trial membership for a month.
- An attractive short-term membership option for transient visitors to the region who wish to golf regularly for a month while in our community.
- Membership is limited to a calendar month and includes all of the benefits of a Senior Playing membership.
- At the end of the one month membership period, if the monthly member wishes to become a Senior Full Playing, Basic Full Playing, Senior Out of Town, Senior Intermediate or Intermediate member for the remainder of the 2021 golf season, then the new member will be credited with the full value of their monthly membership against the cost of their new full membership.
- By opting to become an annual playing member, the new member will receive a credit worth 10% of the value of their new playing membership, excluding taxes. This credit may be used for food, beverage or pro shop purchases anytime in 2021. The credit will be made after membership fees have been paid in full.
- Monthly members who decide NOT to become full members after their monthly membership has expired are NOT eligible to purchase green fees for the remainder of the 2021 season.
