

Dear Cornwall Golf and Country Club Members,

We hope this email finds you well and enjoying your time at the Cornwall Golf and Country Club. We would like to inform you about some important updates regarding the 2024 membership year.

As a not-for-profit private facility, we rely on membership revenue to maintain the financial health of our golf club. Revenue from the 2024 dues will provide adequate funding to cover expenses related to non-revenue producing departments (course maintenance, general & administration, building operations, etc.) and fixed expenses (taxes, property, liability & insurance, etc.).

1. Early Bird Membership Offer

As we approach the end of the year, we're excited to extend a special offer for all our members, like we have done in the past. This offer allows you to secure your 2024 membership at a discounted rate if you sign up **before December 31, 2023**. After this date, membership rates will move to the regular pricing until March 31st, 2024. **After March 31st, 2024, open membership spots will be made available to the waitlist.** We strongly suggest securing your membership before March 31st, 2024.

3. **New Members/Social 10 Members Upgrading**

For anyone looking to join or upgrade their Social 10 membership, we have streamlined the process with a form available at our head office. This form will help us process your request efficiently and ensure a smooth transition onto the ongoing waiting list. Please note that the waiting list and membership upgrade process will be managed by Nancy Green, Office Manager/Secretary.

- Waiting List Guidelines: A Waiting List has been approved by the Board of Directors, the rules of which are as follows:
 - Wait List will be on a "first come, first served" basis dated electronically by the submission via our website.
 - Once invited, Wait List members must join an active member category (Senior Playing/Basic, Intermediate, Sr Intermediate, Couples, or Gold Corporate) in their first year of play.
 - Wait List members who do not accept an invitation to join when a spot is offered to them will be placed at the bottom of the Wait List and may do so only once. If a second invitation is refused, they will be removed from the Wait List.

We sincerely appreciate your understanding and support as we work to enhance the Cornwall Golf and Country Club experience for all our valued members.

Should you have any questions, please feel free to reach out to Nancy Green at ngreen@cornwallgolf.com or call us at 613-931-1122.
